ALERT - There may be a delay in data updates between the Small Business Administration (SBA) and SAM. If you notice any issues with your entity's SBA status or trouble on the SBA Supplemental page, please contact the Federal Service Desk.

ALERT - June 11, 2018: Entities registering in SAM must submit a [notarized letter](#) appointing their authorized Entity Administrator. Read our [updated FAQs](#) to learn more about changes to the notarized letter review process and other system improvements.

Advanced Search - Exclusion

Structure your search for exclusion records in SAM using one of three approaches. Select a radio button corresponding to the category header that best describes how you want to search. The accordion will expand to show you the search criteria. You can only use one approach at a time.

Search Tips:

- If you want to search using a date range, use the Single Search approach.
- If you are trying to search for more than one excluded party at a time, you can search for up to six names using the Multiple Names approach.
- If you choose the SSN/TIN approach, you must enter search criteria in both the Name and SSN/TIN fields.
- If you choose the SSN/TIN approach, the name and SSN or TIN you enter must match exactly what is contained on an exclusion record for the result to be returned.
- Search terms are defined in the SAM User Guide Glossary.

Exclusion Search Tips

- There may be instances when a Firm or Individual has the same name, or a similar name, as your search criteria but is actually a different party. Read the entire record to understand why the entity was excluded and what effect this exclusion has on your decision.

Participation in Federal Programs Verification Requirement

- To verify a potential match or obtain additional information, contact the federal agency that created the exclusion record. Contact information for the designated Agency Point of Contact (POC) is linked to the Excluding Agency name within the record. You can also navigate to the Agency Exclusion POC page within SAM Help under Exclusions Information.
- SAM does not have DUNA number or CAGE code identifiers for all Firm exclusions records. Therefore, a search by one of these fields alone may not be sufficient. Conduct an additional Name search if no results are found by the entity identifier.
- If you search only on a particular classification type (e.g. Firm), you are potentially excluding exclusion records created under a different classification.

4. Search Results will display on the bottom of the screen:

5. A copy of your attestations should be kept for your records and be readily available, if requested by the IPA or Health Plan.
6. Please fax the attestation to (714) 947-8708.

Please contact Provider Relations should you have any questions at 714-947-8600.

Please also be advised that such screenings are required under the contract between Angeles IPA, or an affiliated entity, on the one hand, and the health plan, on the other hand.

To assist you with the implementation of your OIG/GSA Exclusion process, we are providing links to the relevant exclusions lists to comply with the regulations:

- Medi-Cal Suspended & Ineligible List- <https://files.medi-cal.ca.gov/pubsdoco/SandILanding.asp>
- HHS OIG (Inspector General’s Office in the Federal Government)- <https://exclusions.oig.hhs.gov/>
- System for Award Management (SAM)- <https://sam.gov/SAM/pages/public/searchRecords/advancedPIRSearch.jsf>
